

NIHAL CARES

Premium Home & Hygiene Solutions

Founder: Ashok Singh

Established: 2022

Headquarters: Bharatpur, Rajasthan

About the Company

Founded in 2022 by Mr. Ashok Singh, **Nihal Cares** has rapidly emerged as a trusted name in the home and personal hygiene sector. Based in the historic city of Bharatpur, Rajasthan, our mission is to deliver world-class cleaning and hygiene solutions that ensure safer, cleaner, and fresher environments for households and commercial spaces alike.

Our Vision & Mission

Vision: To become India's leading household brand recognized for quality, innovation, and uncompromising hygiene standards.

Mission: To manufacture and distribute high-efficacy detergents, fresheners, and cleaning agents that provide maximum value to our customers while adhering to rigorous quality benchmarks.

Our Product Portfolio

Nihal Cares takes pride in offering a comprehensive range of premium cleaning products under our flagship brands, including **KLEANAGENT** and **OZENUL**.

OZENUL Air Freshener

Experience pure fragrance. Instantly eliminates odors and leaves a long-lasting, refreshing scent in any room.

KLEANAGENT Liquid Detergent

Advanced stain-removal formula that is tough on dirt but gentle on fabrics, ensuring your clothes stay bright and fresh.

KLEANAGENT Dishwash Gel

Sirf ek boond aur chamak uthain bartan. Lemon-fresh scent that cuts through tough grease effortlessly.

KLEANAGENT Glass Cleaner

Advanced streak-free formula with rapid dry tech. Perfect for all glass surfaces, leaving zero spots behind.

KLEANAGENT Toilet Cleaner

Super cleaning for unbeatable hygiene.
Powerful formula that removes stubborn
stains and kills 99.9% of germs.

KLEANAGENT Hand Wash

Keep germs away while keeping hands
soft. Enriched with refreshing lemon
extracts for daily protection.

Commitment to Quality

At Nihal Cares, quality is not just a promise; it's our practice. Every batch of our products undergoes strict quality control checks to ensure consistency, safety, and effectiveness. We use premium raw materials and advanced manufacturing processes to deliver products that our customers can trust.
